To: CP - Mr. Walker

From: Le/T - Mr. Barron

Subject: Draft exchange of notes to accompany Treaty of Friendship, Commerce and Navigation with Italy.

Pursuant to your recent telephone conversations with Mr. Sullivan regarding the interest of the Italian Government in a separate agreement concerning the interchange of professional and academic personnel and the recognition of academic degrees, there is attached hereto a suggested exchange of notes to accompany the treaty of friendship, commerce and navigation and designed to afford the Italians a moderate amount of satisfaction in this regard.
